Editor's Note

This section is one in a series of sections of the Affiliate Chapter Handbook intended to assist affiliate chapters in developing and maintaining a functional chapter of the Registry of Interpreters for the Deaf, Inc. Each section has been prepared with the needs of the affiliate chapters in mind based on feedback provided to the Affiliate Chapter Relations Committee (ACRC) by the membership during the 2001 RID Convention, Orlando, Florida, and from the Affiliate Chapter Relations Committee survey of affiliate chapters.

The ACRC Mission Statement:

It is the mission of the Affiliate Chapter Relations Committee to clarify and strengthen the organizational structure of the Registry of Interpreters for the Deaf, Inc. by acting in an advisory capacity, representing the interest of the affiliate chapters and promoting best practices so that affiliation is valued by chapters and by individual members.

The design, organization and composition of the membership of affiliate chapters across the country vary. To accommodate the diversity of affiliate chapter needs, each section (or parts thereof) may not apply to every affiliate chapter. The challenge was to develop all-inclusive sections with the understanding that each individual affiliate chapter may or may not need the information in its entirety.

The Affiliate Chapter Handbook is intended to be a “living document” with updates, additions and/or deletions made accordingly and in a timely manner by the ACRC. Suggestions and inquiries to the Affiliate Chapter Handbook or the ACRC may be directed through the RID National Office, Membership Services Coordinator, or via e-mail at membership@rid.org.

The Affiliate Chapter Relations Committee would like to express its' sincere appreciation to the following individuals for their assistance with various sections of the Affiliate Chapter Handbook.
