

Lisa Schaefermeyer, CI and CT
RID Region II Representative

Lisa is currently serving as RID Region II Representative. She served as the president of Florida RID (FRID) for four years. During her first term, she was actively involved in helping to pass legislation to establish a state Coordinating Council for the Deaf and Hard of Hearing (FCCDHH). She still represents FRID on this Council and has served as a member of the State Licensure Task Force, the Medical Accessibility Task Force and currently co-chair of the Legal System Accessibility Task Force. On the national level, Lisa was a member of the EIPA Task Force and later became committee member and co-chair of the Educational Interpreter Committee. Lisa has worked as an educational and freelance interpreter for the past 24 years. She graduated from the University of South Florida with a Social Science Interdisciplinary B.A. degree emphasis in Sign Language.
