1. Why were you unable to complete your CEU requirements during your regular four year cycle? (Attach any supporting documentation.)

2. How has your situation changed in order to allow you to complete your required CEUs within the next year?

3. How many CEUs do you need to complete within the next year?

4. Please detail your plan for completing the required CEUs. (Where, when, how? Attach supporting documentation.)

I affirm that the information I am providing is true and accurate. I acknowledge that I am requesting an extension that is granted *only once* in a member's lifetime and cannot be renewed. I understand that I have up to one year to complete the CEU requirement and that this extension does not extend the end date of any future certification cycles.
