**July 17 – 22, 2011**  
**Atlanta, GA**

Dear RID 2011 Conference Attendee:

Thank you for making the 2011 RID National Conference a success! With almost 2,000 attendees this was a great week for RID in so many ways--a successful partnership with Mano A Mano was brought to fruition, well over 100 events took place to help us Grow Globally, and RID saw the swearing in of a new President, Brenda Walker Prudhom.

Awards were given, friendships were forged and renewed, many sponsoring organizations committed to supporting RID in a variety of ways, and motions were approved that will help move RID forward. Please check back often for more post-conference updates! Thank you for making this a great conference!
